VOL.3 ISSUE NO. 1 BI-YEARLY EDITION JUL-DEC, 2025

THE SPARK

IT DEPARTMENT NEWSLETTER

WORKSHOP & SEMINAR

The Department organized a hands-on workshop on "Emerging Trends in Cloud Computing" on 9th August 2025. Mr. Mohamed Salman Faris M, Senior Technical Trainer at Amypo Technology, Coimbatore, led the session.
Students gained practical exposure to AWS, Azure, and GCP through live demonstrations on deploying web applications and managing virtual instances. Advanced topics like serverless computing, edge computing, and AI integration were also discussed. The session concluded with an interactive discussion on career opportunities in cloud technology, making it an insightful and career-oriented workshop.

Mr.Mohamed Salman Faris Delivering talk

STUDENTS PLACED THROUGH CAMPUS RECRUITMENT

FInal year IT students has been placed at KG Invicta Services Pvt. Ltd. (KGiSL) as a Junior Process Associate with a package of ₹3.18 LPA, making us proud with this great achievement.

From Left to Right: Mohamed Kaif, Kishore. S, Sanika Narayanan Dabugude, Monisha

Final year IT students has been placed at Test Series Pro as a Business Development Associate with a package ranging from ₹3 LPA to ₹8 LPA, making us proud with this remarkable achievement.

From Left to Right: Balamurugan, Mohamed Kaif, Pradeep, Suganya

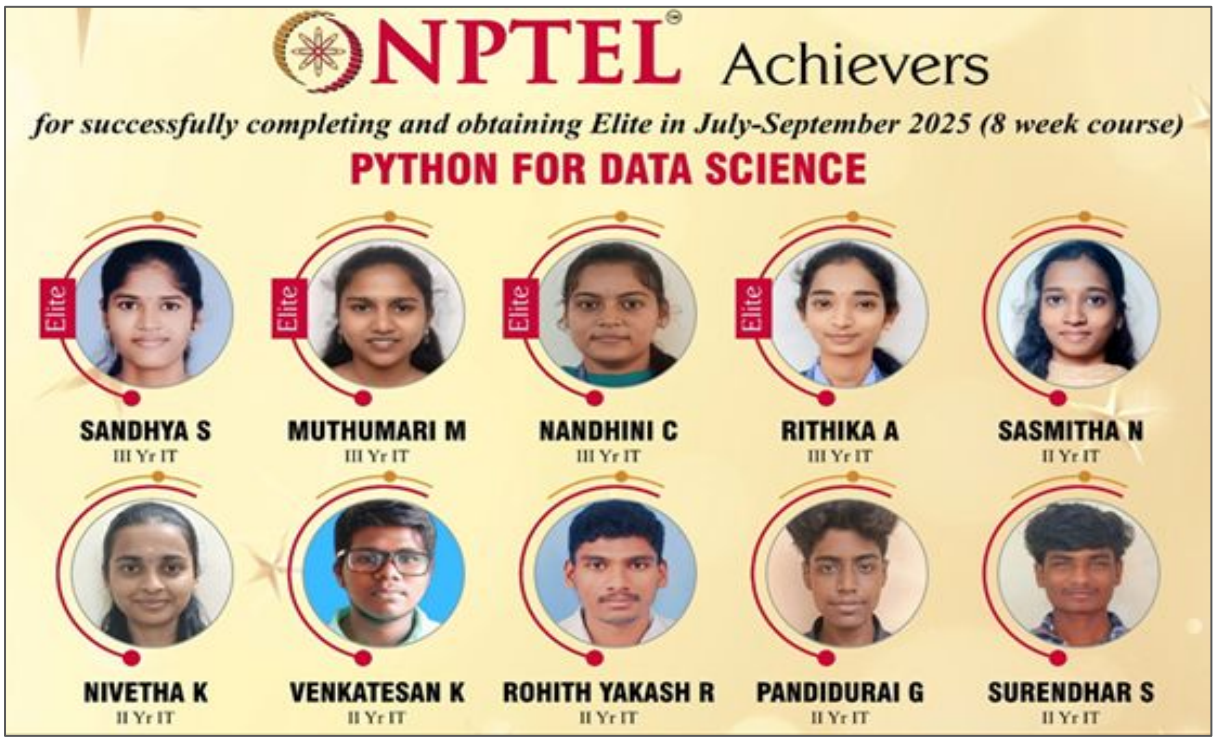
STUDENT'S ACHIEVEMENTS

Students from second and third year IT made us proud by successfully clearing the NPTEL Examination with flying colors. Notably, four students earned the prestigious Elite Certification, reflecting their dedication, consistency, and in-depth understanding of the subject.
Congratulations to all the achievers for their outstanding performance and commitment to academic excellence

Tamil Speech Event

Mr.Adharsh ,Correspondent , EASACET Felicitating Ms.K.Gayathri

On September 30, 2025, our III Year IT student, K. Gayathri, actively participated in various Tamil Speech Competitions and made us proud by winning prizes for her exceptional oratory skills and confident performance. Her passion for the Tamil language and articulate delivery earned her well-deserved recognition. Congratulations to her on this remarkable achievement.



Global Fair Visit

Our department students visited the Global Job Fair held at Codissia on October 9th and 10th, 2025. The event provided them with a wonderful learning experience, offering valuable insights into current industry demands, emerging job opportunities, and essential professional skills. The visit proved to be both inspiring and informative, motivating the students to prepare proactively for their future careers.c

SPORTS ACHIEVEMENTS

On September 15, 2025, our department students Benish. P and Praveen. K, final-year students, proudly represented our college at Sri Shakthi College of Engineering and Technology, Coimbatore, and secured the Second Prize in the Kabaddi Competition. Their teamwork, dedication, and exceptional performance led to this remarkable achievement. It was indeed a proud moment as they brought laurels to our college and added yet another milestone to our department's accomplishments.

Kabbadi Team at the event

FIELD VISIT / INDUSTRIAL VISIT

Faculty members and students made a field visit to the Motion Graphics Lab, Fabrication Lab, and Drone Lab at IIT Palakkad Technology iHub Foundation (IPTIF), Palakkad, on 08.10.2025. The visit provided valuable insights into advanced technologies and innovative research facilities.

3D PRINTING LAB VISIT

On September 16, 2025, our III Year IT students visited the 3D Lab at Hindusthan College, where they explored advanced 3D printing technologies and modern equipment. The visit provided them with hands-on experience and enhanced their understanding of innovative industrial applications. It was indeed a valuable and informative learning experience for all the students.

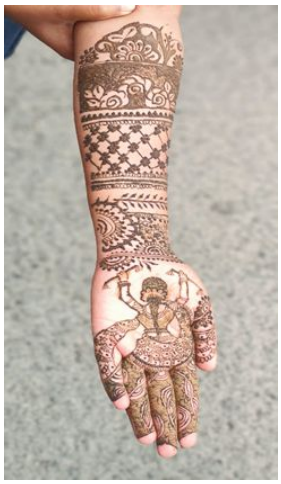
CULTURAL / CLUB ACTIVITIES

Rangoli

As part of the Navratri Celebrations organized by the college club on September 24, 2025, various competitions were conducted with great enthusiasm. In the Rangoli Competition, our III Year IT students showcased their creativity and artistic skills, proudly securing the Second Prize. Their vibrant designs and teamwork added color and spirit to the festive occasion.

Mehendi competition

On September 25, 2025, as part of the Navratri Celebrations, a Mehndi Competition was conducted, where our talented students Vasanthapriyadharshini and Soumiya G from the IT Department showcased their creativity and artistic talent, securing the First Prize and Third Prize, respectively. Their beautiful designs and dedication added charm and color to the festive event, making it a memorable occasion.



Hairdressing competition

On September 27, 2025, as part of the Navratri Celebrations, the Aura Club organized the Festive Fusion Hair Dressing Competition, where our talented students Suganya .S and Nandhini C from the IT Department showcased their creativity and styling skills. They proudly secured the Second Prize and Third Prize, adding yet another proud moment to our department's achievements.

STUDENTS' PERFORMANCE IN END SEMESTER EXAM

PLACEMENT TRAINING

The Department organized a seminar on "Innovations in Intrinsic Skill Development" on 15th October 2025 in association with IIC cell. Mr. Karthik Rengarajan, Founder and Entrepreneur of 2K Speakathon, served as the Chief Guest and Resource Person. He delivered an inspiring and interactive session emphasizing the significance of self-awareness, emotional intelligence, leadership, and communication in personal and professional growth. Through real-life examples and engaging activities, students gained valuable insights on building confidence, enhancing interpersonal skills, and fostering innovative thinking.

Top: Mr.karthik Rengarajan during the session is being felicitated

FACULTY ACHIEVEMENTS

- Dr.B.Syed Moinuddin Bokhari attended QIP PG certificate programme -first spell offline on AI and applications at IIT Kharagpur for 15 days in the month of June 2025.
- Dr.Senoj Joseph attended QIP PG Certificate programme - first spell offline on Deep learning at NIT Surathkal for 15 days in the month of June 2025.
- Mrs.Greeshma.V attended Outcome based learning in HEI's for quality education Online for Five days in the month of June 2025.
- Dr.B.Syed Moinuddin Bokhari presented two papers in IEEE conference - Smarthelmet: IOT Enabled Helmet For Safety and Accident Detection, Novel and Efficient classification of cardiovascular Abnormalities by Machine learning at JCT College, Coimbatore on 13.08.25
- Dr.B.Syed Moinuddin Bokhari attended Global AI Leadership conference- 2025 at IITM ,Chennai om 21.08.25
- Ms.Greeshma.V attended a FDP titled Enhancing Research and Publication Capabilities at Malla Reddy College of Engineering, Secundrabad from 11.08.25-13.08.25
- Ms. Greeshma.V attended IKS-TKDL workshop-8 .conducted by AICTE from 4.08.25-11.08.25
- Ms. Mahalaxmi.R attended a FDP titled Enhancing Research and Publication Capabilities at Malla Reddy College of Engineering, Secundrabad from 11.08.25-13.08.25
- Ms, Mahalaxmi.R attended a webinar on "Virtual Prototyping and Simulation of power electronic converters for electric vehicle and renewable energy systems," organized by the Department of EEE, Dayananda Sagar College of Engineering, Bengaluru from 18.08.2025-22.08.2025
- Dr Senoj Joseph , attended workshop on Journal Citation Report Online from 11.8.25 - 14.8.25
- Dr.B.Syed Moinuddin Bokhari secured Elite NPTEL online certification in Data Science for Engineers with a consolidated score of 65% Online - Kalaimagal Instituitions , Coimbatore and it is a 8 week course (July - Dec 2025)
- Dr.Senoj Joseph secured Elite NPTEL online certification in Data Science for Engineers

- with a consolidated score of 69% Online -Sri Ranganthan Engineering College, Coimbatore and it is a 8 week course (July - Dec 2025)
- Mrs.Greeshma.V attended ATAL FDP on Research application of machine learning and Internet of Things. Online- Chameli Devi group of Institutions 6 days (8.09.25-13.09.25)
- Dr.B.Syed Moinuddin Bokhari secured Elite NPTEL online certification in Python for data Science with a consolidated score of 71% Online - SNS Instituitions ,Coimbatore and it is a 4 week course (July - Dec 2025)
- Dr.B.Syed Moinuddin Bokhari has completed 5days FDP on 'Recent advancements in Communication and IoT applications-Online at CMS College of Engineering and Technology, Coimbatore 5 days from (13.10.25-17.10.25)
- Dr.Senoj Joseph secured Elite NPTEL online certification in Python for data Science with a consolidated score of 87% Elite silver plus 1% topper Online -Sri Ranganthan Engineering College, Coimbatore and it is a 4 week course (July - Dec 2025)
- Ms. Greeshma.V has completed 5days FDP on 'Recent advancements in Communication and IoT applications- Online- CMS College of Engineering and Technology, Combatore 5days from (13.10.25-17.10.25)
- Ms. S. Soundharyagowri successfully completed a FDP on "AI in Education: Tools and Trends in Teaching. Online- MLR INSTITUTE OF TECHNOLOGY 6 Days from 15/09/2025 - 20/09/2025
- Ms. R.Mahalaxmi has completed 5days FDP on 'Recent advancements in Communication and IoT applications Online- CMS College of Engineering and Technology, Coimbatore 5 days from (13.10.25-17.10.25)
- Dr.B.Syed Moinuddin Bokhari secured Silver+ Elite NPTEL online certification in The Joy of Computing using Python with a consolidated score of 86% Online -Rathinam Techn Zone, Coimbatore and it is a 12 week course (July - Dec 2025)
- Dr.B.Syed Moinuddin Bokhari has presented a paper on "Designing A Smart Device For Speech Stammer Detection Features Based On Artificial Neural Network" in the IEEE International conference ICECMSN at Hindusthan Institute of Technology, Coimbatore on 24.11.25
- Dr.Senoj Joseph secured Silver+ Elite NPTEL online certification in introduction to large language models with a consolidated score of 76% Online -Rathinam Techn Zone, Coimbatore and it is a 12 week course (July - Dec 2025)
- Dr.Senoj Joseph secured Silver+ Elite NPTEL online certification in Deep Learning with a consolidated score of 85% Online -Rathinam Techn Zone, Coimbatore and it is a 12 week course (July - Dec 2025)
- Dr.Senoj Joseph secured Silver+ Elite NPTEL online certification in Responsible and Safe AI systems with a consolidated score of 78% Online -Rathinam Techn Zone, Coimbatore and it is a 12 week course (July - Dec 2025)
- Dr.B. Syed Moinuddin Bokhari made a field visit to AI research lab at IIT Kharagpur on 19.12.25
- Dr.Senoj Joseph made a field visit to Central research facility at NIT Surathkal on 12.12.25
- Dr.B.Syed Moinuddin Bokhari attended 2nd spell of AICTE sponsored QIP PG certificate programme in AI and its applications at IIT Kharagpur from 08.12.25 - 19.12.25
- Dr.Senoj Joseph attended 2nd spell of AICTE sponsored QIP PG certificate programmed in Deep learning at NIT Surathkal from 08.12.25 - 23.12.25
- Dr.B.Syed Moinuddin Bokhari attended one week online FDP on "OUTCOME BASED EDUCATION at NGP institute of Technology from 1.12.25-5.12.25
- Dr Senoj Joseph and Ms.K.Shamini attended one week online FDP on "OUTCOME BASED EDUCATION at NGP institute of Technology from 1.12.25-5.12.25

DEPARTMENT OF INFORMATION TECHNOLOGY

Vision

- To be a world-class hub of excellence in Information Technology, fostering higher-level learning, cutting-edge research, and innovative technologies

Mission

- DELIVER high-quality IT education that aligns with student aspirations and potential, equipping them with cutting-edge skills for a dynamic digital world.
- INSPIRE a passion for learning and innovation by fostering creativity, problem-solving, and hands-on experience with emerging technologies.
- TRANSFORM talents into socially responsible IT professionals who leverage technology to address real-world challenges and serve society ethically.
-

Program Educational Objectives (PEOs)

- Graduates will have sound foundation in the mathematical, scientific and engineering fundamentals to formulate, solve, and analyze problems related to Information and Technology.
- Graduates will have employment in IT industries who are socially responsible and integrated with professional and ethical skills.
- Graduates will involve in research, higher studies and/or to become entrepreneurs in the long run.

Program Specific Outcomes (PSOs)

Graduates should be able to:

- PSO1. Have proficiency in programming skills to design, develop and apply appropriate techniques, to solve complex engineering problems.
- PSO2. Have knowledge to build, automate and manage IT solutions using cutting-edge technologies.
- PSO3. Have the ability to research, create, and build new technology solutions that solve real-world problems and move the industry forward.
